

WOMEN'S VOICES CHORUS FY25

WVC SALES + FOOD TO GO How-To

Information and forms also available on [WVC Fundraising page](#).

TABLE SALES

On three Mondays during the season (dates below), we will hold sales of various items on the tables at the back of our rehearsal space. Sales will take place before rehearsal (7:00 - 7:30) and during the break. Members are encouraged to bring items to sell, as well as money to spend (Venmo accepted)!

Please mark items with a price you set. Prices should be in full-dollar amounts. If you are unsure of how to price your item, we recommend 10-50% of the price of the item when purchased new, depending on condition. You may also refer to garage or yard sale pricing guides, for example [here](#).

Items MUST BE clean and in good condition - this is NOT a junk sale! Think boutique. To take tax deductions for donations, use the [In-Kind Donation form](#). At the end of rehearsal, members can collect their unsold items.

FOOD TO GO

You can also bring food to sell: cookies, cakes, pies, breads, or soups. Like a bake sale, you make and price. Please include a label with a list of ingredients.. Any food you make that is not purchased will be your responsibility to take home or give away.

All proceeds go to the WVC Risers/Handrails Fund

Date	Sale Theme	Food Suggestions
